DECISION ON PETITION

This is a decision on the Petition to Withdraw the Holding of Abandonment received via facsimile transmission, September 26, 2002, for the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition for Withdrawal of Holding of Abandonment."

The application was held abandoned for failure to timely pay the issue fee on or before June 25, 2002.

As evidence of the timely submission of the Issue Fee, petitioner has submitted copies of Part B - Fee(s) Transmittal, and return post-card, which, which acknowledges receipt of the Issue Fee on June 14, 2002, by the Patent and Trademark Office, (PTO).

The PTO acknowledges receipt of the afore-mentioned document on June 14, 2002. However, upon review of the application it was revealed that the Deposit Account No. was not included on the Issue Fee Transmittal.

The holding of abandonment was proper in view of petitioner's failure to include the deposit account number on Part B of the Issue Fee Transmittal Form. Without the inclusion of the deposit account number, there was no general authorization to charge the issue fee.

37 CFR 1.25(b), which was in effect at the time of the mailing of the Notice of Allowance, permitted blanket authorization to charge all or only certain fees.
